

## How to get general practitioner services

In order to receive state-paid general practitioner services in Latvia, it is necessary to:

- find out the list of territorial general practitioners by calling the free phone number +371 80001234 or writing an e-mail to [nvd@vmnvd.gov.lv](mailto:nvd@vmnvd.gov.lv)
- contact the chosen doctor's practice and:
  - inform that you are a citizen of Ukraine
  - agree on the day and time of the visit

What to do if the doctor refuses?

If the local general practitioner refuses to provide services to a child or an adult, please inform the National Health Service by calling +371 80001234. You will be provided with support for receiving the services.
